MEMORANDUM FOR: RADM John L. Butts, USN
Director of Naval Intelligence

SUBJECT: Letter of Appreciation (U)

1. Please extend my appreciation and thanks to Captain Bill Studeman, Captain Dave Cooper, Captain Sandy Martel, Captain Bob Chapin, Commander Bob Dinkel and others who assisted in my exceptionally informative orientation visit to NAVOPINTCEN and NISC on 11 January. I found the places visited and subjects addressed to be very well selected and the briefings presented in a totally professional manner. I gained a greatly improved understanding of the Navy's need for and uses of overhead imagery which will be highly beneficial as we on COMIREX continue to wrestle with intense demands for such imagery in the face of inevitably limited supplies. (S)

2. Commander Dinkel noted that it would be valuable for me to follow up my visit to NOIC and NISC with further discussions in the Pentagon. I look forward to these discussions and, if your schedule permits, the opportunity to meet briefly with you personally. (U)
